

# Rehabilitation

Memory games increase brain functions such as attention level, reading and reasoning skills.

All Proceeds support AE Research

## Booklet

Provides information about working memory and suggested games that progressively builds your cognitive ability in your AE recovery.

Builds a strong understanding of AE while re-training your brain. Specifically designed for the AE Warrior.

52 playing cards, 2 Jokers & Instruction Booklet

# AUTOIMMUNE ENCEPHALITIS TRIVIA PLAYING CARDS

An Educational and Rehabilitation Tool. The first AE product in the world. Designed for #AEWARRIOR patients, caregivers and therapists. Created in collaboration with Josep Dalmau, M.D., Ph.D.

Play Color coded and number matching games
