

An opportunity to share your experience about living with LGI1 Autoimmune Encephalitis

WHO CAN PARTICIPATE?

If you have been **diagnosed with LGI1 autoimmune encephalitis (“AE” or “AIE”)**, or are a **caregiver** for someone with LGI1 autoimmune encephalitis, you may qualify to participate in this market research

WHAT'S INVOLVED?

A brief 20-minute **online survey**, followed by a 60-minute **telephone interview**

HONORARIUM

If you qualify for and participate in this research, you receive an honorarium payment in recognition of your time and effort

INTERESTED?

For more information about the study and to see if you qualify contact: aiestudyuk@global-perspectives.com or call +44 (0) 7841 835281

WHO IS CONDUCTING THE STUDY? This study is being conducted by Fulcrum Research Group, an independent Market Research agency based in the United States, on behalf of a pharmaceutical company.

WHAT'S THE GOAL OF THE STUDY? The study is strictly non-promotional. We aim to more thoroughly understand the patient experience with LGI1 autoimmune encephalitis for the purpose of developing solutions to further support patients.

PRIVACY: All information and responses provided during this research will remain anonymous (meaning identifying details about you are kept confidential and are not shared). Your responses will be added to the answers of other participants.
